

Sprint Tournament 8/3/07

A medium sized group of 18 sprinters braved the heat at the track this past Saturday to vie for the fast rider bragging rights. A couple of PR's and great racing completed the sprint series for this year.

After the 200's for seeding we started with a one ride, three up for everyone. The winners moved on to complete the tournament with best 2 of 3, two ups. The final came down to #1 seed Tim Montagne and #2 seed Matias Elgart. They both voted to do a single ride for the win, so we ran a three lap race instead of the regular two. In a very close race, Matias just nipped Tim at the line. Great racing!

Everyone who was eliminated from the main tournament moved into consolation rounds, sprinting six or more times until all were pooped. Also great racing!

Thanks to everyone who raced or helped out, especially Anne without whom these races wouldn't happen.
