Sprints, April 4, 2009

The first sprint tournament of 2009 took place on a beautiful April afternoon down at Hellyer. There were some gusty winds, but generally warm and good conditions made for fast times, and several riders had PR's including the screaming ride by Kelyn Acuna at 11.26 seconds for his 200. Very fast.

After the 200's we broke into groups of six based on 200 times. Each group did three 2 ups and one 3 up. Results are below:

Sprints, May 9, 2009

On a VERY hot Saturday afternoon, 16 competitive souls braved the oven that the velodrome becomes when the temperature goes up to the mid 90's.

The racing was fast and furious with some of the most strategic sprinting being done by 12 year old Zeke Mostov. Keep an eye on this kid!

As usual we started with 200 meter time trials for seeding and then broke into groups of five and six based on 200 meter time for the matches themselves.
