The Group B [SportVelo](#) Miss n Out started with 24 riders. With strong and smart riding Beth Newell and Hana Alver-Hyde were riding well. At 12 riders left, Beth began playing the devil cleverly placing herself and successfully trapping a rider until her legs finally had enough with five riders left. Beth finished fifth. Hana Alver-Hyde had ridden strong and un-noticed hiding in the group well, but the last elimination sprint put her out and gave her fourth. On the bell, Dory Selinger beat Vincent Jauvez and Marcus Smith.

The Group A [SportVelo](#) Miss n Out began fast leaving Michael Hernandez surprised and also the first one out of the race. Bill Nicely rode a smart race but on the last elimination discovered he had nowhere to go except the blue band and finished fourth. Coming into bell Nole Studley and Alden Tanaka were watching and waiting for Patrick Briggs to attack. When Briggs went, Studley gave chase but did not have a prayer of catching giving Briggs the win.
