

## **Sprint #1 – March 7, 2010**

We started sprinting in 2010 on a somewhat blustery March Sunday. Blustery became chilly as the afternoon progressed, but the sprinting stayed fun and fast.

Thirty one riders did a 200 meter time trial and then split into groups of six based on the 200m times. Almost everyone then did three 2 ups and one three up match sprint. As usual, a good time was had by all.
