

## **Santa Clara County Hellyer Park Velodrome Protocol Under Covid-19**

**Version 2.0, last updated 3/11/21**

Version 2.0 of this document is a complete rewrite from the previous version, 1.6. All versions of this document can be found here, <https://hellyer Velodrome.com/board/#covid19-docs>

### **February 26, 2021 - SCC Parks update**

*As of this week we have changed how we handle any changes to reopening requests. County Parks staff values the public park purpose that you and many of our land use agreement partners fulfill on County parkland. Compliance with the State and County health orders is now the responsibility of all our land use partners. If you have further questions about how the health orders impact your operations, we suggest that you first refer to the State and County Health website resources. The local orders can be found here: <https://www.sccgov.org/sites/covid19/Pages/public-health-orders.aspx>; state orders are available here: <https://covid19.ca.gov/stay-home-except-for-essential-needs/>. If you have questions regarding the interpretation of these orders, County Parks cannot provide interpretation of State and County Orders. For this reason you will need to consult with your own counsel for any legal questions.*

*Going forward, please continue to keep Parks apprised of your operations, including reopenings or expansions of operations. Written notice of any changes to operations must be provided to the Real Estate Services Group, attention to Jayme Dickson ([jayme.dickson@prk.sccgov.org](mailto:jayme.dickson@prk.sccgov.org)). Please note that the Parks Department will no longer issue approval letters for its land use partner operations. Once you determine that your operations comply with the applicable State and County health orders, you may operate as permitted under the terms of your License. Failure to comply with the State and County health orders may result in enforcement and may affect the terms of your License.*

### **Social Distance Protocol Rules for Hellyer Velodrome Users**

1. Mask wearing and separation – masks are required to be worn upon entering the facility through the chain link fence gates.
  - a. Off the track - masks must be worn all the time and 6 feet of separation maintained between velodrome users
    - Entering the track: when leaving the picnic table area and getting on the apron in turn 1, you can remove your mask
    - Exiting the track: when finishing your effort and catching your breath, please put your mask back on before riding around others on the warmup circle or returning to the picnic table area.
  - b. On the track – masks can be removed in most instances

- Warm up laps and solo efforts: masks can be removed, please leave 6 feet between yourself and other riders.
  - Held starts: the holder must be wearing a mask, the rider can be unmasked.
  - Match sprints: masks can be removed. For now, please minimize your time within 6 feet of the other competitor.
  - Team events: masks must be worn when performing these efforts, teammates can be within 6 feet of each other. Upon completion please promptly return to 6 feet of separation.
  - Mass start races: not allowed at this time.
2. Maximum attendance.
    - a. On the infield there can be no more than 16 (up from 12), including riders and supervisors, through the remainder of March. If all goes well, the plan is to increase the maximum attendance to 20 beginning April 1.
    - b. There are no limits on spectators around the track.
  3. Maximum number of riders on the track – can be no more than 10 during unstructured sessions, and 16 during coached sessions, through the remainder of March. If all goes well, the plan is to increase to 12 riders during unstructured sessions, and 20 riders during coached sessions, beginning April 1.
  4. Variances – If a promoter or a supervisor would like to apply for a variance to any of these rules, please send an email to [scheduling@hellyerVelodrome.com](mailto:scheduling@hellyerVelodrome.com)

# TO PREVENT THE SPREAD OF COVID-19

Do not enter the facility if you have COVID-19 symptoms.

Fever

Cough

Diarrhea

Headache

Muscle aches

Shortness of breath

Unexplained loss of taste or smell

Maintain a minimum six-foot distance from others, including when in line.

Sneeze and cough into a cloth or tissue or, if not available, into your elbow.

Face coverings required to enter (except if 6 years of age or under or medically inadvisable).

Do not shake hands or engage in any unnecessary physical contact.

Posting this sign does not replace the County requirement to implement your full social distancing protocol.  
Adapted with permission from King County Design and Civic Engagement.

**COVID**  
CORONAVIRUS  
DISEASE **19**

# STOP THE SPREAD OF GERMS

Help prevent the spread of respiratory diseases like COVID-19.

Avoid close contact with people who are sick.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Avoid touching your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.
