

## February 2006 NCVA Minutes

January Minutes Approved

### Treasurer Report

Rick Trying to bring things up to speed with his new system.

Checking income outflow.

Rick paid the County use fee of \$100 for the year---the permits are coming soon.

### Marketing

David Keefe, as the current FNBA series sponsor has 1st right of refusal for sponsorship in 2007

He will send 1 marketing flyer to "resident" at hellyer addresses.

He agreed to \$250 extra per Friday.

There were various ideas for how the prize money could be allotted, but finally it was decided to go with a constant sponsor output of prize money and to amend the distribution in the 1/2 group to 120 100 70 50 40 20 for the top 6 places resp,

Rick and the promoters requested there be no fees for spectators, but that Primes should be collected from spectators who could decide what group they would like to contribute to.

Specialized has not agreed to sponsor the track, yet.

Asphalt...John needs one week lead time to set up

the apron will be paved 8ft around and 25 feet on the finish straight.

We need to eradicate weeds---they should not grow through newly poured asphalt.

Mike's friend George will help scrape

8"wide --3" down

We need to set a date...dig and tell people riding to be very careful as the paving might not be done immediately after the prep work is done. We need to have a pre-paving work party

Since our bathrooms work again, John can recall the portopotty.
