Northern California Velodrome Association (NCVA)**  
*November 20th, 2025 at 7:05 PM, Via Google Meet*

Pursuant to notice duly given, a meeting of the Board of Directors (the "Board") of the NORTHERN CALIFORNIA VELODROME ASSOCIATION, a nonprofit California corporation (the "NCVA"), was held via Zoom call, commencing at approximately 7:05 PM.

**In Attendance via conference call:** Marissa Axell, Erik Salander, Florian Schneider, Carla Richard, Stephen Roulac

**Absent:** James Grady, Fergus Tanaka, Alex Winter

**Guest:** Wagner Souza

Replacement project: Wagner took the board through the entire project with new containers and adding a gate for security.

Fergus emailed the Board information about the container removal, install and new gate proposal.

Wagner is organizing a mid-week date, and looking to recruit 5-10 volunteers to help remove the bleachers, empty out the rental lockers and store items in the other containers.

On the day of the install, ( date tbd) we also need 5-10 volunteers to make sure we get everything done on time, we will only have the crane for 3 hours and need the containers delivered and everything coordinated on the same date.

Florian will connect with the county to let them know we will need to shut down the adjacent pathway for the crane and container trucks, and the poles removed.

Wagner will order the fence posts to have it on standby for when we receive the containers.

Erik will reach out to Doug Ambrisko for help to rewire the new containers.

- Settled insurance information is filed with the County.
- 2026 USAC updates to running USAC sanctioned track races. They unrolled three tiers options and this will hopefully help incentivize riders to become USAC licensed, and incent promoters to host more USAC sanctioned races to help with upgrades.
